Erratum

In the July 2013 issue (Volume 43, number 4), in the article “The Use of Ultrasound for Dogs and Cats in the Emergency Room: AFAST and TFAST” by Søren R. Boysen and Gregory R. Lisciandro, on page 791, the first sentence under the header “The Future of Small Animal Lung Ultrasound,” should read: “The wet (ULRs or B-lines) versus dry lung (glide sign and A-lines) concept is easily mastered by the nonradiologist veterinarian.”
