The opinions expressed in The Veterinary Clinics of North America: Small Animal Practice are those of the contributors and/or editors of this issue and do not necessarily reflect the opinions or views of the Publisher. The ultimate responsibility lies with the prescribing physician to determine drug dosages and the best course of treatment for the patient. The reader is advised to check the current product information provided by the manufacturer of each drug to be administered, in order to ascertain any change in drug dosage, method of administration, or contraindications. Mention of any product in this issue should not be construed as endorsement by the contributors, editors or the Publisher. Clinicians are encouraged to contact the manufacturer(s) of these product(s) with any questions about their specific features or limitations.

Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by W.B. Saunders Company provided that the base fee of $0.00 per copy plus $0.20 per page is paid directly to Copyright Clearance Center (CCC), Transactional Reporting Service, 222 Rosewood Drive, Danvers, MA 01923. Identify this publication by including with your payment the fee code 0195-5616/96 $0.00 + $0.20. For those organizations that have been granted a photocopy license by CCC, a separate system of payment has been arranged. All fees are subject to change without notice.
